Location: Willowmead, Shillingford St George

Proposal: Single storey rear extension

Applicant: Mr & Mrs P Fowler

Cllr Carr explained that Cllr Howard had conducted a site visit and briefed him. The extension is just over the size of permitted development. It will be built in the same materials as the main original house to match in. The Parish Council has noted that there have been a number of previous applications to extend this property but feel that in relation to this application, it is not overlooked and is in keeping with the existing property. This application is supported.
