

Shillingford St George Parish Council
NEWSLETTER

August 2018

**REFURBISHMENT
OF TELEPHONE BOX
IN SHILLINGFORD
ABBOT**

Thank you to the volunteers who have offered their time to help with this project. Work is well underway. A new hand painted sign has been placed in the telephone box asking people to keep the area clear. We would ask that drivers don't park directly in front of the kiosk so that there is ready access to the defibrillator if needed in an emergency and it can be more easily found by persons not familiar to the area. Our thanks to our District Councillors John Godey and Kevin Lake for grant funding the paint for this project.

If you would like key fobs with the defibrillator cabinet code, please get in touch with the Parish Clerk who has a few left.

THE FENCE

The Parish Council public liability insurance on the Village Green is conditional on the Parish Council either owning or maintaining the land. On 1 August, the Trustees sent a letter to the Village Hall Committee stating that they were taking back control of the Village Green and assuming responsibility for maintenance. They will be raising revenue to:

- A. Pay a contractor to cut the grass
- B. Payment of Public Liability Insurance
- C. Maintenance of the pavilion shed and fences
- D. Any other necessary expense to maintain the Village Green.

This intention invalidates the Parish Council public liability on the Village Green and the Parish Council have written to the Trustees informing them.

**ADDITIONAL
COMMUNITY
NOTICEBOARDS**

We recognise that there is great demand for space to

advertise local events and services on the noticeboards. The Parish Council is hoping to increase the advertising space by providing additional noticeboards for community use.

HIGHWAYS ISSUES

The Highways Department has been contacted about the inferior & substandard refurbishment of the road in Shillingford Abbot from the bridge to Markham Lane. It would appear that the wrong materials have been used and we are asking for it to be re done.

A date for your diary, there will a total road closure in Shillingford Abbot on 1 November. Details will be placed on the noticeboards nearer the time.

NEXT MEETING

Our next meeting will be on Monday 8th October. at 7:30pm in Shillingford St George village hall. Please come along and join us.

*Shillingford Parish
Council*
