

**OUTING TO CHRISTMAS FAYRE AT WESTPOINT**

Sadly only 11 people signed up for the trip to the Christmas Fayre at Westpoint. The trip went ahead but was subsidised by the Parish Council. It was decided that it would not be cost effective to organise further outings

**RING & RIDE TRANSPORT**

The Ring & Ride transport services have agreed to review their routes in the New Year and at the request of the Parish Council, have agreed to consider a pilot route through our villages

**WESTEXE PLANNING**

A new planning application has been submitted for the planned commercial site at Peamore. The Parish Council will submit comment due to concerns this will increase traffic through the Parish.

**REFUSE COLLECTIONS POST FEASTIVE SEASON**

The Parish Council have contacted TDC about the missed refuse collections. TDC refute the suggestion of poor planning & state there was more recycling that they were able to deal with on that day. They have apologised and sent a team to clear the debris that had been blown around.

**ANNUAL LITTER PICK**

Has been arranged for 10am on Saturday 24<sup>th</sup> Feb starting from the village hall. Come along and help keep the villages tidy for the enjoyment of all. Sturdy footwear recommended. Equipment provided

**AUDIO VISUAL PROJECT FOR VILLAGE HALL**

The Parish Council has passed the quotes to the Village Hall Committee for them to decide whether to progress an AV installation

**FENCE ACROSS VILLAGE HALL CAR PARK**

The Parish Council now has a copy of the Trust document. It would appear that a number of clauses have been breached. The Villagers Petition was delivered to the Secretary of the Trustees with 185 signatures from those opposed to the fence. A joint letter has gone from the Parish Council and the Village Hall Committee requesting the resignation of Trustees and removal of the fence. The fence also breaches planning consent. A 28 day enforcement notice has been served on Trustees requiring removal or submission of a planning application. Please monitor the TDC planning website.
