

## A National Highways notification

### A38 Heathfield to Haldon works package

December to July 2022 – overnight 8pm to 6am

National Highways operates, maintains and improves England's motorways and major A roads.

We need to carry out various works along the A38 between Heathfield and Haldon from December to July 2022. We'll be working on drainage, barriers, resurfacing, dead tree removal and surveys. To reduce disruption we've packaged the work together to maximise the amount of work we can do during road and lane closures. We'll work overnight to minimise disruption to daytime traffic. During the day the road will be open as usual but please allow extra time for your journey if travelling overnight.

The work will be intermittent in various locations, under lane and overnight road closures. We'll send targeted updates to residents alongside each phase of works and we'll inform Parish Councils of all stages. We'll also post updates on our webpage <https://nationalhighways.co.uk/our-work/south-west/> under Maintenance Schemes.

**Our ref: 608012**

**Phase 1** - 1 to 17 December – 8pm to 6am

- **Eastbound** – overnight lane closures will be in place between Drumbridges and Chudleigh station.
- **Westbound**- overnight full road closure between Splatford Split and Goodstone. Traffic will be diverted to A380 at Splatford interchange, to Whare Barton, Green Hill Way, Newton Rd, Jetty Marsh Rd, A382 Exeter Rd and A383 Exeter Rd to re-join the A38 at Goodstone interchange.

Please accept our apologies in advance for any inconvenience this may cause. We'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum.

**We always aim to work to the programme, however unforeseen circumstances or adverse weather conditions may mean changes.**

If you would like further information about this work, please contact National Highways Customer Contact Centre on **0300 123 5000** open 24/7, who will direct your enquiry to the most appropriate person, or email: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)
