

A National Highways notification

A38 Haldon to M5 J31 road marking works 16 to 27 September 2021

National Highways operates, maintains and improves England's motorways and major A roads. This postcard is to let you know we will shortly be carrying out road marking renewal in this area.

For the safety of our workforce we'll work overnight when traffic flows are at their lowest. We'll work on the A38 southbound section on 16, 17, 20 and 21 September, followed by the A38 northbound section on 22, 23, 24 and 27 September. Road and slip road closures will be in place and locally signed diversions will be in use.

Works will take place overnight Monday to Friday between the hours of 8pm in the evening and 6am the following morning.

Please accept our apologies in advance for any disruption which may be caused.

*As of 20 August 2021, Highways England has been renamed **National Highways**. The name change reflects the role of the strategic road network – to connect the nations regions – and the part it plays in setting Highways standards across the UK.*

The remit of the organisation has not changed, and we will continue to operate and maintain England's motorways and A roads.
