40/20 Parish Matters:

40.1 Sale of Shillingford Wood – The Friends of Shillingford Wood asked the Parish Council to give their approval to proceed with the initial work to investigate grants, finances and preparatory work. It was proposed by Cllr Barwell, seconded by Cllr Carr and agreed by all to investigate both offers further.

40.2 Standing Orders – It was proposed by Cllr Barwell, seconded by Cllr Carr and agreed by all to adopt the revised Standing Orders. The revision – Item 27 Remote Meetings Protocol & Procedures, was recommended by DALC to cover remote meetings.

40.3 Defibrillator Battery & Pads Renewal – It was proposed by Cllr Carr, seconded by Cllr Parrott and agreed by all to purchase a new battery and pads for the defibrillator as the present ones were coming to their use-by date.

40.4 Reallocation of road space for active travel – briefing from DCC – Clerk to contact DCC and Cllr Connett to suggest a combined pedestrian and cycle path between the two villages via land at Shillingford Organics.

40.5 Local bus service consultation Clerk to contact DCC to ask if the present once daily bus route through Kennford/Shillingford St George/Exeter could be increased.

40.6 4G signal The Clerk explained the Government's proposal of the shared rural network – four networks sharing masts and new masts where there was a poor signal - and if this could help with the poor signal in Shillingford Abbot. Cllrs also suggested that a BT Fibre Optic box in Shillingford Abbot would improve the poor broadband speed. Clerk to investigate.

40.7 Damage to War Memorial Clerk to ask the resident responsible to contact their insurers to begin proceedings for repairs.

43/20 Clerk's Correspondence

43.1 It was proposed by Cllr Parrott, seconded by Cllr Howard and agreed by all to give a £50 gift card to each of the two volunteers who maintained the defibrillators in the villages.
