

## Question 17

If you have any other ideas, suggestions or comments, please add them below.

1. Get rid of rubble behind Village Hall. A wish too far? 3 people holding village to ransom.
2. More communal events?
3. Nice to see some community feedback being listened to. We are only here in the short term so don't feel in the position to comment too much. Hence the rather lacking responses.
4. It would be good to see improvements to mobile and broadband reception.
5. As all residents would wish, how good it would be if the village green problem be resolved. Although it is very much as usual at the village hall, the matter is still looming over what is otherwise a caring and fair-minded community.

9. Teignbridge and many parishes in Teignbridge have declared a climate emergency. Shillingford could consider following this example.
10.
  - a. Planters, e.g. at Ide, near the village entry signs. This would signify strongly to entrants. They are entering a settled community where residents, children and animals may be on the road. This is a community which cherishes its rural identity.
  - b. Website. Re opening sentence on home page. Would our rural identity be given greater prominence and be strengthened by "The villages of SSG and SA are about 3 miles SW of Exeter in Teignbridge district".
11. Residents have concern about the new buildings in Alphington/Shillingford Rd. development.
12. The state of affairs with Millennium Field boundary fence Trustee issue is depressing. It will only be resolved by both sides talking. I would have thought that the District Council could have been persuaded to intervene/produce an independent arbitrator if only to try to avoid further wasted time and expense. There should be a procedure to enable resolution of such local disputes.

Unfortunately too often families were turned away by people set in their ways by telling children to be quiet. Make the hall family friendly, set up youth evening, a place where children/teenagers can meet up. Make a skittle team, bring back family firework nights. Bring back summer children's club. Have an entertainment night twice a month.
  40. Residents refrain from using noisy garden machinery at weekends!!!!
