**Issue 3, March 2015**

**LITTER PICK**

The litter pick is confirmed for Saturday 21<sup>st</sup> March. The District Council will provide tools, bags and high visibility jackets. You will need to wear sturdy shoes and gloves. We will meet at the village hall at 9:30am. It would be great to see as many of you as possible come out to help keep the area litter free.

**366 BUS**

Devon County Council need to make savings in their budget and are proposing cuts to bus services including our 366 Kenn to Exeter service. The proposed cut will reduce the service to 2 times a day. The parish council will be making a comment, but it is also important that individuals have their say. The consultation closes on 20<sup>th</sup> April. You can view the proposal and comment here:

**FIRST AID**

We have applied for the funding that will allow us to run some first aid courses. The Village Hall Committee will also be contributing towards the costs. We will be looking to run several sessions to accommodate demand and will cover essential first aid. More details to follow when the funding has been confirmed.

**WAYBROOK LANE**

The development plans from Bovis that would impact the Waybrook Lane area have still not been submitted. The latest is that they will be ready during March. Only when these plans are available can the future of traffic in Waybrook Lane be discussed further.

**WATER LEAK**

Many thanks to the residents of Manstree Road that reported the recent water leak and salted the road on the cold mornings. Eventually

South West Water accepted that it was their responsibility and fixed it. We have written to them to ask why it took them two weeks and two water tests before it was done.
