

**ARE YOU NEW TO THE PARISH?**

We have defibrillators sited at the village hall in Shillingford St George and the telephone box in Shillingford Abbot. They both have the same cabinet code. If you would like a free key fob with the code, please contact the Clerk.

**RING & RIDE TRANSPORT**

The Department of Transport is currently reviewing national charitable provision of community transport following a legal challenge. Therefore, the review of the Teignbridge routes has been put on hold.

**PROJECTOR & SCREEN FOR SALE**

The Parish Council projector and screen are now redundant due to the fixed AV equipment in the village hall. If you are interested in purchasing a nearly new projector and screen, please contact the Clerk.

**THE FENCE**

Following service of the Breach of Condition planning notice on 17th May, the fence was removed by person or persons unknown. The Parish Council has sent a letter to the Trustees confirming that the Public Liability insurance is therefore reinstated and have asked whether the Trustees intend to cut the grass to hand it back in the condition it was left before the fence was erected. They have asked that the grass-cutting equipment and other village-owned items that were removed from the shed can be safely and securely returned there. Trustees have been reminded of their legal position and have been invited to resign to allow new Trustees to run the Trust lawfully and for the benefit of the community. Crowd funding for a private legal case is underway and your pledges are required to preserve this asset. The Clerk can direct you to fundraisers.

**REFURBISHMENT OF TELEPHONE BOX IN SHILLINGFORD ABBOT**

We are seeking volunteers to help repaint the telephone box that houses the defibrillator. The Parish Council has agreed to purchase the materials and we need your help to prepare and paint the kiosk and cut back foliage to improve visibility. If you can help, please contact the Clerk and an activity day will be arranged.

**2017/18 AUDIT**
