The building subject of the proposal is derelict. The intention is to renovate it using similar materials and with a similar roof line to the neighbouring property. It is acknowledged that there will be no windows on the aspect facing the neighbouring property. It is also acknowledged that there is no relevant listing and the footprint will remain the same.

Shillingford Parish Council support the application which would improve and preserve a building of historic value to the parish. Proposed Cllr Howard, Seconded Cllr Parrott. **All agreed**
